CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATES

(a) Proposed Issue Mandate

The Company's existing mandate to issue Shares was approved by ordinary resolutions at the annual general meeting held on 20 December 2019. The existing mandate to allot and issue Shares will lapse at the conclusion of the AGM.

An ordinary resolution will be proposed at the AGM to approve the grant of the Proposed Issue Mandate, which if granted, will allow the Directors to allot, issue and deal with Shares up to 20% of the total number of Shares in issue as at the date of passing the relevant resolution.

As at the Latest Practicable Date, a total of 800,000,000 Shares were in issue. Subject to the passing of the ordinary resolution approving the Proposed Issue Mandate and on the basis that no Shares are issued or repurchased prior to the AGM, the exercise of the Proposed Issue Mandate in full would enable the Company to issue a maximum of 160,000,000 Shares. The grant of the Proposed Issue Mandate will provide the Directors with flexibility to issue Shares when it is in the interest of the Company to do so. As of the Latest Practicable Date, there was no present intention to issue any Shares pursuant to the Proposed Issue Mandate if it is granted by the Shareholders at the AGM.

(b) Proposed Repurchase Mandate

The Company's existing mandate to repurchase Shares was approved by ordinary resolutions at the annual general meeting held on 20 December 2019. Unless otherwise renewed, the existing mandate to repurchase Shares will lapse at the conclusion of the AGM.

An ordinary resolution will be proposed at the AGM to approve the grant of the Proposed Repurchase Mandate, which if granted, will allow the Directors to exercise all the powers of the Company to repurchase its own Shares not exceeding 10% of the total number of Shares in issue as at the date of passing the relevant resolution.

As at the Latest Practicable Date, a total of 800,000,000 Shares were in issue. Subject to the passing of the ordinary resolution approving the Proposed Repurchase Mandate and on the basis that no Shares are issued or repurchased prior to the AGM, the exercise of the Proposed Repurchase Mandate in full would enable the Company to repurchase a maximum of 80,000,000 Shares. As of the Latest Practicable Date, there was no present intention for any repurchase of Shares pursuant to the Proposed Repurchase Mandate if it is granted by the Shareholders at the AGM.

LETTER FROM THE BOARD

(c) Proposed Extension Mandate

An ordinary resolution will be proposed at the AGM to approve the extension of the Proposed Issue Mandate to include the total number of such Shares (if any) repurchased under the Proposed Repurchase Mandate provided that such amount shall not exceed 10% of the total number of Shares in issue as at the date of passing the resolution.

Subject to the passing of the relevant ordinary resolutions at the AGM, the Proposed Issue Mandate, the Proposed Repurchase Mandate and the Proposed Extension Mandate will continue to be in force until the earliest of:

- (i) the conclusion of the next annual general meeting of the Company immediately after the AGM;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; and
- (iii) the revocation or variation of the authority given under the corresponding resolution as set out in the AGM Notice by an ordinary resolution of the Shareholders in a general meeting of the Company.

An explanatory statement containing the particulars required by the GEM Listing Rules to enable the Shareholders to make an informed decision on whether to vote for or against the resolution to be proposed at the AGM in relation to the Proposed Repurchase Mandate is set out in Appendix I to this circular.

RE-ELECTION OF DIRECTORS

According to Article 108(a) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being (or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. Any Director who has not been subject to retirement by rotation in the three years preceding the annual general meeting shall retire by rotation at such annual general meeting. Any further Directors so to retire shall be those who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. CLOSURE OF REGISTER OF MEMBERS

For the purpose of determining the entitlements of the Shareholders to attend and vote at the AGM, the register of members of the Company will be closed from Tuesday, 8 December 2020 to Friday, 11 December 2020 (both days inclusive), during which period no transfer of Shares will be registered. In order to be entitled to attend and vote at the AGM, all transfer documents accompanied by the relevant share certificates must be lodged with the Company's Hong Kong branch share registrar and transfer office, Boardroom Share Registrars (HK) Limited, at 2103B, 21/F, 148 Electric Road, North Point, Hong Kong not later than 4:30 p.m. on Monday, 7 December 2020. VOTING BY POLL

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of the Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter (as defined in the Note to Rule 17.47(4) of the GEM Listing Rules) to be voted on by a show of hands. Therefore, all resolutions to be proposed at the AGM will be voted by poll, and an announcement on the poll vote results will be made by the Company in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors believe that the resolutions proposed at the AGM are in the best interests of the Company and the Shareholders as a whole, and accordingly, recommend the Shareholders to vote in favor of these resolutions to be proposed at the AGM.

Yours faithfully,
On behalf of the Board
Mong Kean Yeow
Chairman and executive Director

This Appendix contains information required under Rule 13.08 of the GEM Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in connection with the Proposed Repurchase Mandate.

1. SHAREHOLDERS' APPROVAL

All proposed repurchases of shares by the Company with its primary listing on GEM must be approved in advance by way of an ordinary resolution, either of a specific approval of a particular transaction or of a general mandate to the Directors to make such repurchases.

2. SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue was 800,000,000 Shares. Subject to the passing of the ordinary resolution approving the Proposed Repurchase Mandate and on the basis that no Shares are issued or repurchased prior to the AGM, the exercise of the Proposed Repurchase Mandate in full would enable the Company to repurchase a maximum of 80,000,000 Shares, representing 10% of the total number of Shares in issue as at the date of passing the resolution, during the period from the date of the passing of the resolution to the earliest of the conclusion of the next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting (“**Proposed Repurchase Period**”).

3. REASONS FOR THE REPURCHASE

The Directors believe that the Proposed Repurchase Mandate is in the best interests of the Company and the Shareholders. An exercise of the Proposed Repurchase Mandate (if approved at the AGM) may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings of the Company per Share.

4. SOURCE OF FUNDS

Repurchases of Shares made pursuant to the Proposed Repurchase Mandate must be made out of funds legally available for such purpose in accordance with the memorandum and articles of association of the Company, the Companies Law, the applicable laws of the Cayman Islands and the GEM Listing Rules.

There could be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements for the year ended 30 June 2020) in the event that the Proposed Repurchase Mandate was to be exercised in full at any time during the Proposed Repurchase Period. However, the Directors do not propose to exercise the Proposed Repurchase Mandate to such an extent as would, in

the circumstances, have a material adverse effect on the working capital or the gearing position of the Company. The Directors would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole.

5. SHARE PRICES

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months up to the Latest Practicable Date:

	Price per Share	
	Highest (HK\$)	Lowest (HK\$)
2019		
November	0.28	0.096
December	0.98	0.142
2020		
January	1.14	0.78
February	0.89	0.75
March	0.87	0.70
April	0.85	0.66
May	0.88	0.60
June	1.05	0.84
July	1.03	0.80
August	0.94	0.78
September	1.03	0.84
October	1.49	0.91
November (up to the Latest Practicable Date)	1.31	1.18

6. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will only exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate in the proposed resolution in accordance with the GEM Listing Rules, the Companies Law, the Articles of Association and the applicable laws of the Cayman Islands.

7. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, has any present intention to sell any Shares to the Company in the event that the Proposed Repurchase Mandate is approved by the Shareholders.

None of the core connected persons of the Company has notified the Company that he has a present intention to sell any Shares to the Company or has undertaken not to do so in the event that the Company is authorized to make repurchases of the Shares.

8. TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of a repurchase of Shares pursuant to the Proposed Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code.

Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Express Ventures Global Limited ("**Express Ventures**") which is legally and beneficially owned as to 97.14% by Mr. Mong Kean Yeow, the chairman of the Board and an executive Director, and as to 2.86% by Ms. Choon Shew Lang, an executive Director and chief executive officer, was interested in 120,000,000 Shares, representing 15.00% of all issued Shares. In the event that the Proposed Repurchase Mandate is exercised in full, assuming that the present shareholdings and capital structure of the Company remains the same, the interest in the Company held by Express Venture would be increased to approximately 16.67% of the issued share capital of the Company.

As at the Latest Practicable Date, Li Chao was interested in 100,000,000 Shares, representing 12.50% of all issued Shares. In the event that the Proposed Repurchase Mandate is exercised in full, assuming that the present shareholdings and capital structure of the Company remains the same, the interest in the Company held by Li Chao would be increased to approximately 13.89% of the issued share capital of the Company. To the best knowledge and belief of the Directors, the Directors are not aware of any circumstances which would give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code solely as a consequence of any repurchase made pursuant to the Proposed Repurchase Mandate.

The Directors have no present intention to exercise the Proposed Repurchase Mandate to such an extent that would result in the number of Shares held by the public being reduced to less than 25% of the entire issued share capital of the Company.

9. SHARE REPURCHASE MADE BY THE COMPANY

The Company did not repurchase any of its Shares (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.
